Contactless Licence Services
To improve RTO office service delivery, Punjab Govt is now offering the following services in a Contactless mode. The citizens would be able to apply for these services online and without needing to visit RTO offices multiple times. Only for picking up modified or renewed Driving licence, citizen would need to go to RTO office after getting an intimation that their "Driving Licence has been activated and is ready for pick up".
These services are available in Contactless mode only if your Aadhaar Card details such as Name, Date of Birth and Father's name/spouse name exactly matches the existing Driving Licence record in RTO database. In case these details do not match, you can either visit the RTO office in person to get the services or get your Aadhaar details updated and then apply for contactless services.
